The panel will be nominated by the Vice Chancellor on the recommendation of the Head of the School. Frequent interaction with the students and the panel members will ensure updating of skills and acceptance of latest industry practices.

14. **Evaluation:** Evaluation of the courses shall be done by the faculty themselves on the basis of continuous internal assessment and end semester examinations. The Group Project in fourth semester will be evaluated group wise and viva voce to be conducted individually. 50% of the assessment is based on the report while the rest 50% is on the basis of individual viva voce. The Industry Immersion Report (IIR) Report shall be evaluated by two examiners, one of them the faculty who supervised the project and the other an External Examiner to be decided by the School's Faculty Council from the panel approved by the Vice Chancellor.

15. **Continuous Assessment:** The internal assessment will account for 40% of the evaluation. The assessment marks shall be distributed as follows.

a. Theory

| | Component | % of Internal Marks |
|---|-------------------------------------|---------------------|
| 1 | Test papers | 50% |
| 2 | Assignment/ Book Review/ Debates | 25% |
| 3 | Seminar/ presentation of case study | 25% |

a. Practical

| | Component | % of Internal Marks |
|---|-----------------------|---------------------|
| 1 | Skills | 25% |
| 2 | Records | 25% |
| 3 | Test paper/ Practical | 40% |
| 4 | Viva/ Presentation | 10% |

16. End Semester Examination: The end semester examination will account for the remaining 60% of the evaluation, which will be done internally by the School itself. Question paper setting and evaluation of answer scripts of second and fourth semesters will be done by external examiners selected from a panel approved by the Vice Chancellor. The regulations of credit and semester system of Mahatma Gandhi University will apply to the School of Tourism Studies (STS).

17. Qualification of Teaching Staff: Candidates holding Master of Tourism Management (MTM), Master of Tourism Administration (MTA), Master of Tourism and Travel Management (MTTM), Master of Management in Hospitality (MMH), MBA (Tourism and Travel Management), MBA (Tourism & Hospitality) along with other conditions prescribed by the UGC are eligible to the posts of teaching staff in the School of Tourism Studies. Priority shall be given to PhD holders with sufficient academic and research credentials specified by the school based on the requirements of the programme and specializations. M.A (French) and M.A (German) along with other conditions prescribed by the UGC are required for teaching French and German respectively.

18. Eligibility for Admission: A student holding Bachelor's Degree (including professional degrees) in 10+2+3 pattern with not less than 50% marks in any discipline of this University or any other University recognized by Mahatma Gandhi University.

19. Mode of Selection: Admission to MTTM programme is on the basis of a national level entrance Test. Entrance Test will carry objective type questions for 80 marks, i.e., English Language (30 marks), General Knowledge and Current affairs (30 marks), and Travel Geography (20 marks) and a descriptive general short essay question carrying 20 marks.

20. Admission Criteria: Admission will be on the basis of a Rank List Prepared as per the score obtained in the common admission test.

21. Test Syllabus: The MCQ exam will carry objective type questions for 80 marks, i.e., English Language (30 marks), General Knowledge and Current affairs (30 marks), and Travel Geography (20 marks).

22. Test Paper: Valued answer scripts shall be made available to the students for perusal within 10 working days from the date of the tests.

22. Assignments: Each student shall be required to do 2 assignments/book reviews for each course. Assignments/book review after valuation must be returned to the students. The teacher shall define the expected quality of the above in terms of structure, content, presentation and the like, and inform the same to the students. Punctuality in submission of assignments/records is to be given a weightage in the internal evaluation.

23. Seminar: Every student shall deliver one seminar as an internal component of every course and must be evaluated by the respective course teacher in terms of structure, content, presentation and interaction. The soft and hard copies of the seminar report are to be submitted to the teacher in charge.

Results of Continuous Assessment: The results of the CA counter-signed by Head of the school shall be displayed on the notice board 5 days before the end semester examinations. The marks awarded for various components of the CA shall not be rounded off, if it has a decimal part. The total marks of the CA shall be rounded off to the nearest whole number. Relevant records of continuous assessment (CA) must be kept in the department and that must be made available for verification.

24. Project Work: There shall be a project/dissertation to be undertaken by all students. The dissertation entails field work, lab work, report writing, presentation and viva voce. The class hours allotted for project work may be clustered into a single slot so that students can do their work at a centre /location for a continuous period of time. However, appropriate changes can be made by the faculty council in this regard. Project/dissertation shall be carried out under the supervision of a teacher in the School other research institutes or industrial establishment or university departments if they permit the students to do so, after getting permission from the Department Head. In such cases, one of the teachers from the schools would be the co-supervisor/internal guide and an expert from the industry/ research organization concerned shall act as supervisor/ external guide.

25. External Evaluation of theory answer scripts: The evaluation shall be done after the examination at the earliest, preferably in a centralized valuation. As far as possible bar coded answer books shall be used to ensure confidentiality. The evaluation of the answer scripts shall be done by examiners based on a well-defined scheme of valuation. End semester evaluation of theory answer scripts shall be conducted and evaluated by one internal examiner for odd semesters. For even semesters, one external and one internal examiner shall do the process of evaluation. That is, there shall be double valuation system of answer books in the 2nd and 4th Semester evaluations. The final marks awarded will be the average of two. If there is a variation of more than 10 % of the maximum marks, the answer books shall be valued by a third external examiner appointed by the Head of the Department. The final marks to be awarded shall be the average of mark obtained in third valuation and the highest of marks awarded by the other two examiners.

26. Process of evaluation of project work: The evaluation of the project will be done at two stages: i. Continuous Assessment: Supervising teacher/s will assess the project and award Marks. ii. Final evaluation: Final evaluation will be done by external examiner, based on the work done by the student and a viva voce. There is no provision for improving the continuous assessment/ final evaluation of the project.

27. Grading System: The grading system followed is that of relative grading on a ten-point scale. The grading system followed is on a ten-point scale. The following table indicates the performance range and the relative value of the grades (grade points) on the scale.

| Letter Grade | Performance | Grade point |
|--------------|---------------|-------------|
| O | Outstanding | 10 |
| A Plus | Excellent | 9 |
| A Only | Very good | 8 |
| B Plus | Good | 7 |
| B Only | Above Average | 6 |
| C Average | Average | 5 |

| | | |
|----|--------|---|
| P | Pass | 4 |
| F | Fail | 0 |
| Ab | Absent | 0 |

The minimum CGPA for a specific programme and the minimum credit point requirement for MTTM programme is 5.

28. Reappearance and improvement Examinations: A student who failed for a course in a semester can register for Reappearance in the forthcoming examination, subject to the conditions set forth in this regulations. Improvement of marks/grades in the forthcoming examination can be done, subject to the conditions set forth in this regulations.

29. Registration for Improvement: A candidate has to apply for registration for Improvement by paying the requisite fee. Candidates are not permitted to Register for improvement of grades for Individual course. Candidates in the 1st and 2nd semesters, who have secured SGPA letter grade 'P' or above in the end-semester examination can improve their grade by reappearing for all the semester courses along with the next immediate batch.

In such cases a candidate will be awarded a new grade only if there is an improvement in grade in the new examination; otherwise, the candidate is eligible to retain the grade already awarded.

Candidates in the 3rd semester, who have secured the SGPA letter grade 'P' or above in the end-semester examination, can improve their grade by reappearing for all the semester courses, along with the 3rd semester supplementary examination being conducted for failed candidates immediately after the completion of end semester examination of Fourth semester. This provision is applicable only for third semester. Improvement of 4th semester can be done along with the immediate lower batch. If the improvement is meant to obtain minimum CGPA requirement, a candidate has the option to decide which semester (3rd or 4th) is to be improved; however, the grade given to the candidate shall be that obtained for the entire semester improvement examination.

1st and 2nd semester SGPA cannot be improved after the completion of the 4th semester. Only 3rd and 4th semester SGPA can be improved after the completion of a programme. The marks/grades awarded for Continuous assessment and that for the Project/dissertation cannot be improved. SGPA secured in the 4th semester can be improved only for the purpose of fulfilling the minimum CGPA requirement.

30. Reappearance: Candidates in the 1st and 2 nd semesters who have secured a letter grade of 'F' or 'Ab' in any of the courses can avail two immediate consecutive chances to reappear for examination, coursewise, provided the candidate has applied for the same and paid the required fee. 19 Candidate in the 3 rd semester who has secured letter grade of 'F' or 'Ab' in any of the courses can reappear for exams course-wise in the 3 rd semester supplementary examination, which will be conducted immediately after the completion of End semester examination of Fourth semester, provided the candidate has applied for the same and paid the required fee (fee for supplementary examination of any course shall be full semester examination fee irrespective of number of courses involved).

Candidates who secured the grade of only 'F' or 'Ab' in a course in the 4th semester examination can reappear course wise, along with the immediate lower batch. Candidates who secured the grade of only 'F' or 'Ab' in a course in the 3rd /4th semester examinations will be given two additional chances for course-wise reappearance even after the completion of the programme; but it has to be done within a period of two years after the completion. In such cases a candidate has to apply for the same as a supplementary exam and pay the required fee (Fee for supplementary examination of any course shall be full semester examination fee irrespective of number of courses involved). Scholars undergoing M.Phil Programme shall be permitted to submit dissertation, only after clearing the courses in the First semester.

Scholars who fail to clear all or any one of the courses shall be permitted to appear for a supplementary examination during the second semester. Supplementary examination will be conducted within two months of publication of first semester result.
